Dear Patients and Friends,

As you by now have heard, as of January 1, 2022 I have left private practice dentistry for a future in the administration of clinics for the Indian Health Service.

After much careful thought and research, and because I want to be certain that my patients continue to receive the best possible care, I am pleased to let you know that I have created an opportunity for you to join an outstanding dental practice right here in Del Mar, should you wish. The practice is located conveniently on Mango Drive in the Beachside Del Mar Plaza.

Del Mar Dental Studio is owned by **Dr. Todd Pizzi** who is a close friend of mine and a dentist of the absolute highest clinical skills. He is caring, compassionate and committed to providing the highest level of dentistry. His team will welcome you like family into their practice and treat you with the utmost respect and ethics.

You can learn more about Dr. Pizzi and his team at www.dentistdelmar.com. You are in great hands with a dentist of the highest integrity.

Please call their office at **858-755-0187** at your earliest convenience to reserve your place at **Del Mar Dental Studio**. I will give Dr. Pizzi your records, unless you advise us to do otherwise. Feel free to reply to this mail with any records request you may have.

I have been privileged to serve as your dentist and I wish you all the best in health and life.

Respectfully with a smile,

Kevin Fitzpatrick, DDS, MS
